A TRUSTED PARTNER IN HYGIENE & CLEANLINESS

Tebha Chemicals (Pvt.) Ltd. is a trusted provider of hygiene, household care, manufacturing and distribution solutions — serving consumer and institutional markets across Pakistan.

Through our flagship **Superb** and premium **Mostebh** brands, we deliver a complete cleaning portfolio — from hand wash, phenyl, bleach and floor & toilet cleaners to dishwash and antiseptic products. Beyond our own brands, we offer toll and private-label manufacturing for partners, and serve as the authorized corporate distributor of the **MOSI by Maya Plus** janitorial portfolio.

Our business is built on four pillars: **quality assurance, operational reliability, practical innovation and long-term customer partnerships.** Every product meets rigorous standards for performance, hygiene and safety, and is supplied in bulk with consistent quality and timely delivery — helping companies, hotels, hospitals and institutions maintain clean, hygienic environments while optimizing operational costs.

BULK SUPPLY

OUR VISION

To be Pakistan's most trusted provider of integrated hygiene, household care, manufacturing and distribution solutions — recognized for quality, reliability and value across every market we serve.

OUR MISSION

To support our customers and partners with dependable, cost-effective, high-performance hygiene and household products — backed by standardized quality, flexible manufacturing and professional distribution — delivered from order to doorstep.

OUR PROMISE

“Quality Chemistry. Cleaner Tomorrow.” We partner with you to keep your environment clean, safe and hygienic — through standardized formulations, managed raw materials, R&D-led innovation and tailored solutions that scale from a single household to a national institutional rollout.

Trusted Hygiene Partner

Keeping workplaces clean, safe & healthy — every day.

WHY PARTNER WITH **TEBHA** |||

Seven reasons companies, institutions and partners choose Tebha Chemicals as their long-term hygiene partner.

Reliable Product Quality

Standardized formulations and independent testing ensure consistent performance every batch.

Flexible Manufacturing Capability

Toll manufacturing, OEM and private-label production — configured to your specs.

Institutional Supply Experience

A proven track record serving hospitals, hotels, factories and large-scale operations.

Multi-Brand Market Coverage

From everyday-value (Superb) to premium home care (Mostebh) — one partner, every tier.

Practical Market Understanding

Deep insight into local channels, price points and the realities of nationwide distribution.

Professional Distribution Capability

Authorized partner for MOSI by Maya Plus — trained logistics and channel discipline.

Customer-Focused Service Approach

Tailored solutions, responsive support and long-term relationships.

KEY BENEFITS III

What our customers, partners and institutional buyers gain when they work with Tebha Chemicals.

01 Products are **locally manufactured** — faster turnaround, full supply-chain visibility.

02 **Complete range** of cleaning & hygiene products under one trusted supplier.

03 **Fast, effective supply** — bulk orders fulfilled on schedule, nationwide.

04 **Value-driven, cost-effective** product pricing across all categories.

05 **Standard formulations** keep products consistent and performing as they should.

06 **Quality assurance** through standardized practices & procedures.

07 Active **Research and Development** behind every product line.

08 **Continuous improvement** as a built-in operating principle.

09 **Managed raw materials** supply — security and consistency upstream.

10 Formulation of **specialty customer-specific** products.

11 **Product research** using new and improved technology.

12 **Tailored solutions** for unique customer requirements.

Two complementary brands — one practical and affordable, one premium and refined — covering the full spectrum of household and institutional hygiene needs.
